

A circular diagram illustrating printing margins. It features three concentric dashed lines: an outermost red line, a middle black line, and an innermost blue line. Arrows point from text labels to each of these lines. The red line is labeled 'bleed', the black line is labeled 'cut line', and the blue line is labeled 'safety'.

**bleed**

Artwork that reaches the outline needs to extend to the edge of the **red line**.

**cut line**

This is where your artwork will be trimmed.  
(Finished size ordered)

**safety**

All text must be kept within the **blue line**
